1. What's Happening in Your Area?

Disruption of Drug activity – Ongoing core priority

Drug taking and dealing in the streets around the town centre of Bridlington continue to be our focus. We continue to receive information and target areas of concern. Addresses with increased activity will be monitored adding to the intelligence picture. We continue to review this intelligence, obtain warrants, and target areas and individuals of concern using our stop and search powers. We continue to work with residents, Pro-active Patrols, BTP and use of a drugs dog.

Operation Shield continues to lead to numerous drug arrests. Clear, Hold, Build will further impact in this area.

You can report anonymously via 'CrimeStoppers' at <https://crimestoppers-uk.org/>

NPT have recently been undertaking proactive patrolling as a whole team to flood hotspot areas. Positive stop searches for drugs have been made.

ASB including nuisance motorbikes – Town wide – Ongoing core priority

We continue to engage with the community and monitor areas subject to ASB and town-wide issues with off-road motorbikes. Leaflet drops with ERYC ASB officers have been conducted. New fencing has been erected around the fields on Gypsy Road to prevent bikes using the fields and causing damage.

There have been several seizures of motorbikes recently, including electric Sur-Ron style bikes. This enforcement action has been promoted on social media and My Community Alert.

Parish/Town News Release

We will conduct high visibility patrols and liaise with housing and social care. We are supporting local businesses with regular patrols and work with other agencies and children's homes to support youths and promote positive relationships. Liaison with schools continues. Local officers are working with housing and social services in relation to visiting youths and parents to minimise ASB.

We have been working with a local garage to discourage selling of fuel where it is suspected it will be used in off-road biking.

Operation Yellowfin will be carrying out patrols in the areas affected.

Shop Theft – We will continue to address high demand locations. Work is ongoing with retail premises in the area of Promenade, St Johns Street and Hilderthorpe Road.

We will, by default, carry out high visibility foot patrols in these areas and will deal with any offences positively in conjunction with our Patrol colleagues. We continue to liaise with shop managers offering assistance and crime prevention advice. The shop watch radio scheme continues to be used.

HumberTalking

Humber Talking is still being undertaken in the Bridlington area.

We will be speaking with householders on their doorstep however if you would rather participate online and highlight any issues you think the Police should be dealing with, please visit the website.

What is Humber talk?

Launched in 2018, Humber Talking is aiming to understand the needs of our local communities across Hull, East Yorkshire and Northern Lincolnshire.

It enables residents to meet local officers face-to-face and to share any concerns. Our aim is to hear the views of every single household across our force area.

What are the issues that affect your community that you want the police, our partners and community members to resolve? For example, road safety, criminal damage, drug dealing and anti-social behaviour.

What causes you the greatest concern in your street? For example, beggars, fly-tipping, speeding, gangs?

Have you been in contact with any of the authorities such as police, fire, local authority or health and, if so, how was the response?

How confident are you that the police would be there if you needed them?

What is “My Community Alert”?

My Community Alert is a free messaging system operated by Humberside Police, Humberside Fire & Rescue Service, and Humberside Office of the Police & Crime Commissioner, giving you live information about incidents happening in your area.

Choose how you receive messages, by either phone or email, how often you want to hear from us and about the issues that matter to you.

Parish/Town News Release

When something happens that you've told us you want to hear about, your local officer will send you the details, whether that's notice of a road closure due to a collision or a burglar who has been caught in a nearby garden.

4. Scams / Crime Prevention / Public Safety

Halloween and Bonfire Night

Operation Topaz is a seasonal initiative focused on preventing and tackling antisocial behaviour, particularly around Halloween and Bonfire Night. It forms part of a broader strategy to enhance public safety during high-risk periods and transitions into Operation Yuletide as the festive season approaches.

We will be increasing patrols in the town centre and other locations linked to ASB.

Our ongoing work with local schools continues to address the issue of ASB and the impact it has on communities.

Op Yokohama motorbikes continue to tackle dangerous driving and vehicle theft.

Operation Yokohama is an initiative led by our Roads Policing Team, following advanced training in off-road riding combined with pursuit tactics.

This specialist training equips officers to safely pursue offenders who use motorbikes to commit crime and evade arrest.

The motorbikes can be used on both public roads and off-road terrain, allowing the team to continue pursuits into areas where previously, they could not follow.

The introduction of these motorbikes comes in response to a rise in offenders using motorcycles to commit vehicle theft and associated antisocial behaviour.

Dangerous riding poses serious dangers to the public and will not be tolerated on the roads and in the open spaces in our communities.

Operation Yokohama is focused on removing these risks from our roads, making our communities safer, one pursuit at a time.

September Operation Spotlight

Throughout September and October 2025, officers from our Roads Policing Unit will be joining forces across the country as part of the National Police Chief's Council (NPCC) campaign to target young drivers and riders.

Working together with road safety partners, the aim of the campaign is to focus on the key contributors in collisions which involve young drivers between 17 and 24-years-old:

- Speeding
- Drink and drug driving
- Mobile phone usage
- Not wearing a seatbelt

Historically, September and October typically see an increase in fatal and serious collisions, with more commuter traffic on the road as people go back to work, college, and university, as well as children returning to school after the summer break.

At this time of year, the weather is also starting to take a turn and there will be higher amounts and more frequent rainfall. October specifically sees a peak due to the half term period where more people will be travelling on unfamiliar roads for days out and holidays or short breaks.

Nationally, there were 4,922 people killed or seriously injured on roads in September and October between 2018 and 2022, as a result of the 'fatal four' contributing factors.

If you feel that you have been scammed and would like to speak to someone face to face please come into your local police station for a confidential chat. It is highly likely that it will be a known scam and you will not be alone. If your local police station is closed or you are unable to get there promptly, please do not delay. Call Action Fraud or Humberside police on the numbers below for advice.

If you think you might have been a victim of fraud report it to Action Fraud by visiting actionfraud.police.uk or by calling 0300 123 2040, alternatively call Humberside Police on 101. In an emergency or if a crime is in progress dial 999.

If you have information regarding those responsible for fraud, please contact Crimestoppers on 0800 555 111.

Parish/Town News Release

HMRC's top tips for avoiding scams are:

- Recognise the signs - genuine organisations like banks and HMRC will never contact you out of the blue to ask for your PIN, password or bank details.
- Stay safe - don't give out private information, reply to text messages, download attachments or click on links in emails you weren't expecting.
- Take action - forward suspicious emails claiming to be from HMRC to phishing@hmrc.gsi.gov.uk and texts to 60599, or contact Action Fraud on 0300 123 2040 to report any suspicious calls or use their [online fraud reporting tool](#).
- HMRC Debt management teams do contact members of the public by phone about paying outstanding debts.
- If a customer (or agent) isn't confident that the call is from HMRC, we will ask them to call back. Depending on the circumstances and to give the customer confidence it is actually HMRC calling, information may be disclosed to the caller which only HMRC is party to
- Calls from the majority of HMRC offices will leave caller identification data, i.e. the number the caller has used to contact you from

Never click on a link and if in doubt make your own independent enquiries.
